

Tehničke karakteristike artikla: HSED02UW2S

TOOLLESS LINE-Utičnica za 2 modula, kosa, 80x80mm

čisto bela

SCHRACK info

These data-outlets comprise a die-cast zinc housing and are suitable for installation of all SCHRACK modules in Schrack Format A (SFA) and Schrack Format B (SFB).

The outlets come in colour RAL9010 and are suitable for cable-duct installation (CI), for flush-mounting (FM) or for surface-mounting (SM) by means of a separate wallmount-box.

Floor-Box-installation (FB) is possible for angled outlets by breaking away 2 fastening lugs.

Each outlet comes with its own paper and window for labelling.

Delivery also includes the centralplate (50 x 50mm) and the frame (80 x 80mm).

The angled outlets have dust-protection flaps and a FastOn earthing point.

The labeling window is also available as a separate spare-part.

Outlets can be combined with switch-programs by use of a distance-frame

PACKAGING INFORMATION

- Weight: 0,08kg
- Single piece in polypack
- 30 pieces in a carton

DIMENSIONS

- 80 x 80 x 28mm

Tehnički podaci
